Everton Wolves J AFC Newsletter

## President's message

by Charles Tibbitts

How fun and exciting was it to have Brisbane Lions star Harris Andrews and Conor McFadyen come down to the Den to meet and train with the kids?! Our players born in 2012 received jerseys from the Lions and that will be a fantastic reminder of their start in our great sport.

An awesome job was done by all the volunteers who made sure that the night ran smoothly. A big thank you to Greg Murphy and Jim Gall for cooking on the BBQ, Craig Morgan for taking photos, Vice President David Riha for running the proceedings and Rose Rayner for planning and organising the whole event.

What a way to go into a bye week for the Juniors, we know the kids will be raring to go when the fixtures recommence.

The U15s and U14s continued to win last weekend and are looking promising for the rest of season. They have their sights fixed on finals and so do so many of our other teams. If you need your footy fix at home, come on down on Friday night and see the Under 12 Div 4 team who have been improving over the year under Coach Presto.

Have a great weekend and GO WOLVES!

## MATCH REPORT

**U8.5 Red versus The Gap Dragons**  
**Enoggera Memorial Oval, May 29**

Our U11 girls continued their conquering march forward with an impressive win over the Gorillas at the Den on Friday night. They remain undefeated this season - and although match stats are not persevered at this level, it can be whispered that their scoring percentage runs at around 480%!

The pack howled with the celebration of Ashlyn's 50th game with the Wolves, and after bursting her way through the commemorative banner she turned in a blinder alongside Alexis winning the coveted coach & managers awards!

Ana, Ruby, Harper-Grace, Sammy, and Olivia M showed us new levels of ground speed at midfield - and it rained Wolves goals with sibling pair Holly and Charlotte kicking true.

The rucking skills of Olivia H and Alice ensured a constant clearance advantage, and whenever challenged in defence we had brick wall defiance from the like of Mia, Alexis, and Tia!

Matilda, Violet and Trixie reminded us how well they're taking to our great game as season debutants, growing stronger and more confident around the ruck every week.

This week's victory was celebrated in style with post-match milestone cupcakes lovingly made by Ashlyn's sister Lauren!

Our girls bring positive energy, commitment, enthusiasm and smiling faces to training every week to learn valuable team building skills and hone their footy craft - and the results are certainly showing on the scoreboards and on the field.

Go Wolves!!

# THE LIONS IN THE WOLVES' DEN

On Wednesday night, we were lucky enough to have two of the Brisbane Lions, Harris Andrews and Conor McFadyen, come and visit the Den. Despite the cold night, plenty of Wolves came out to get some autographs, meet and train with the professional players. Not one person missed out on interacting with the Lions, who were so generous with their time. A big thank you to Harris and Conor!
