MATCH REPORT

U8.5 Girls Blue versus Ferny Grove

Ferny Grove Oval, June 19

A crisp and windy morning greeted the Wolves Under 8.5 Blue for our first clash this year against Ferny Grove Green at Falcon Park. The team were primed for a match after a great run at training and a week off.

The Ferny Grove team were down in numbers and in the spirit of the game we substituted one player to them each quarter. A big thank to Cooper, James, Emerson and Max for their fantastic sportsmanship which allowed everyone to have a full game.

The team started strong and the improvement in their game play was evident from the first bounce. Emma "the boot" was first to strike booting a sneaky goal thanks to some great work out of the mid field. Emerson, Boyd and Connor used their hand balling and ground skills to advantage chasing the ball down and moving it through the hands to the forward line.

Cooper was hunting the ball in the middle using his speed and side steps to collaborate with Emma in a three "kick and mark" ball movement into the forward line resulting in another goal. Cormac was solid in defence early using his height to advantage, coupled with some great ground skills to drive the ball forward. Lucy kept her eyes on the ball throughout the game chasing hard in defence, setting herself in position for a goal when in the forward line and getting some great hand balls out of the middle.

The entire crowd cheered as James to a "mark of the year" contender in midfield. James had great body position and timed his leap to perfection to take a screamer over his head. Max, our Captain for the game, hit top gear in the third quarter, showing his best defensive effort this season, going hard for the ball and finding the right options to get it out of the backline. Boyd was solid all over the ground and was effective in maintaining possession in the forward line ensuring that there were multiple goal scoring opportunities. Connor was consistent throughout the match, chasing hard at the ball, rucking to ensure a clearance advantage and delivering some great looking kicks, making him our player of the match.

The team really belted out the Wolves chant at the end of the game, we were pretty sure the whole of Ferny Grove and surrounding districts heard it!

It was a great game with both teams having fun. Our team are really putting into practice a lot of the skills they have learnt this season.

Thanks to all the parents and kids on the sideline cheering on the team! Thanks to Sam for the fantastic photos!

Go Wolves!
