President's message

by Charles Tibbitts

Another amazing week of footy for the Wolves and at The Den. Overall our teams are having a great year and there are lots of smiling happy kids around the place which means success. Auskick has finished and we had 85 kids signed up with is a mammoth amount and shows how popular AFL is .

This week Superstars (U6.5) kicks off with 4 teams already registered. Our Youth teams are going well with the 3 oldest remaining undefeated and our U12.5 Blue Div 4 Team getting their first win of the year.

Congratulations to the kids playing milestone games with Luke Jennings, Ryan Harder and Owen Titmus cracking 100 games while Caleb Johnstone, Addison Harman, Archie Peyton and Matthew Terwin playing their 50ths. This is great news and were well celebrated. Getting to 100 games takes about 7 years so is a great effort for these kids.

Once again I want to thank the Volunteers that have helped out at our kids games. Next Friday (28th May) we are hosting Qld School Cup and we are looking for volunteers to help man the canteen as it is a significant money raiser for the club.

This weekend seems many teams playing at home and our two U11.5 Teams will be playing each other at home on Saturday and our U13.5 girls team are playing each other on Sunday. These will be great games to watch, so come on down.

Have a great weekend and GO WOLVES!

MATCH REPORT

U12.5 Blue versus Sherwood Magpies **Enoggera Memorial Oval, May 16**

Round Four saw our team's first win of the season against Sherwood at the Den on Sunday! ☑

A quick start and early goal saw us ahead at the first break - not for the first time this year...

Resting on our laurels a bit in the second quarter, combined with an increased effort by Sherwood, saw the gap close at half time to just a few points.

Improved effort by the whole team in the second half, and two last quarter goals turned our nail biter into a much more convincing 26 - 14 win.

Massive team effort with improvement shown by all the boys - amazing what happens when they start to listen to the coaches and apply what they are taught at training! 😊

Our team captains were also announced this week, huge congrats to Gabriel Magan (C) and Fletcher Carlson (VC)!

As a team that only came together six weeks ago, we continue to focus on getting to know each other, working together as a team and improving our skills while increasing our fitness (thanks Sal! ☑)

This week we have the challenge of the strong Aspley side, at Aspley, under lights on Friday. Go Wolves!!
