Everton Wolves J AFC Newsletter

## President's message

by Charles Tibbitts

With the June/July School holidays behind us, we are now heading into the busy last half of the season.

Last week, we had our team photos at the club and it was back to games over the weekend for all our teams.

The Club has grown again (5%) this year when many other clubs and sports have shrunk, which is great news for the Wolves. At this rate, we will reach 350 registered players next year which is something I never dreamed of when I started on the Committee back in 2017.

We're looking forward to relaxing and having some fun at the club Trivia Night on Sat 30th July. We hope you can join us there, see page 2 for booking details. To ensure the night can run well, we need some volunteers to help with setting up and cleaning up on the night. We also require someone with their RSA. Please contact Nicole on 0421077967 if you can help out.

We have also received some funding from Brisbane City Council, which will help us renovate the Canteen during the off season. So we will be looking very different when you come back next year!

GO WOLVES!

## ***U15.5 Girls v Greater Springfield***

***July 10, at The Den***

Sunday July 10 saw the U15.5 Girls take on a top of the ladder undefeated Springfield team at home. This was a 'make up' game from round four which was postponed due to the rain.

It was a tough contest right from the start with the Wolf pack dominating the opening five minutes but unable to put scoreboard pressure on. Springfield managed to kick the first goal of the game, but through consistent effort we were able to level it up and take a 1.2.8 to 1.0.6 lead into quarter time. The second quarter started much like the first with Springfield able to get the upper hand early and goal first, we were able to wrestle back the lead and after a very even second quarter held a slim lead at the main break 2.3.15 to 2.1.13.

Though happy with the effort to half-time, the whole team were asked to lift their work rate and contested game and lift they did. Emilie Somerville was asked to tag Springfield's best player and not only did she shut her down, she continued to rack up the possessions too. Lily Ronan and Ella Pittendreigh both exerted their physical presence on the game, which resulted in a couple of goals. While Tillie Low, Georgia Cook and Amelia Riha repeatedly shut down attacking surges from the Springfield team. A three goal to one quarter saw us take a game high 15 point lead into three quarter time, 5.3.33 to 3.1.19.

Springfield threw the magnets around for the fourth quarter, moving some of their better midfielders into the forward line, which paid dividends early resulting in the only goal for the quarter. Again consistent work by both the backline and midfield ensured by the time the final siren went Springfield were no longer undefeated and the Wolf Pack triumphed 5.4.34 to 4.2.26.

Along with the players singled out above, special mentions go to Emily Smyth who, although under the weather, stood up in the fourth quarter with a pivotal one-on-one contest on the wing. Lucy Draper ran hard and provided options all day, including really getting the midfield going in the ruck. Charlii White and Aoife Piipari, as always, were extremely consistent with their contested football with Charlii efficiently operating the sweeper role for us all day. Finally, both Amy Pearce and Abbi Odgers were relentless with their tackling and forward pressure, winning free kicks and allowing us to move the ball forward on numerous occasions.

All in all, it was a very pleasing performance with the team building nicely on the run into finals, well done to all players. GO WOLVES! - ***by Coach Ben Odgers***

***See game photos on the next page!***
