President's message

by Charles Tibbitts

What a fantastic round one of games! The weather was kind and there were lots of smiles out on the field!

The club paid tribute to Anzac Day with the Last Post being played before games on Friday night and Sunday morning. Club representatives attended the Gaythorne RSL march early on Sunday morning as well, to pay respect.

The changes around the club might have been subtle, but the new spectator area was a hit on Saturday with lots of parents enjoying the sunshine and all the footy action! The recycle bin was a huge success, which will help raise funds for the club.

I'd like to give a big thank you to all the volunteers in helping out to make it a successful weekend. Including the coaches, managers, first aiders, water carriers, time keepers, umpires, umpire mentors, ground marshalls, goal umpires and scoreboard attendees. A long list but all played their part in making a great first weekend for our kids and the club.

I look forward to seeing you down at the Den!
GO WOLVES!

MATCH REPORT

U11.5 Blue versus Wilston Grange Red

Wolves: 6/4/40 Gorillas: 3/7/25

With the high-pitched encouragement from Mums and guttural rumbled praises from Dads, it could not be denied Footy was back at the Den. From the first bounce the boys showed lots of endeavour and keenness for the contest. Their first hit out in a full-contact game meant there were a few nerves and a little apprehensiveness from some, however, from others their thirst for the football and the contest could not be denied.

Led admirably by Captain Leo and Vice-Captain Eddie, the boys stayed in the contest with CJ, Ziggy and Jacob the tackling pressure was impressive Yoshie took on everyone and had no regard for their size or speed, he nailed everyone. The ball skills of Louis, Jo Jo, Joe, and Addison were clean, even for the first game of the year, while Campbell and Hugo were also tireless in their endeavours. Liam was solid in his defensive efforts and Jack continued to give his all throughout the game. Connor also found his feet in the back or forward line, wherever he was needed. William and Riley made their debut's this week, having never played AFL before. They did not take long to find their groove.

It was close and it was tight... Then came the third quarter.

With Leo nursing a sore foot in the forward line and Hugo holding full back successfully, we needed a third ruckman, cue Riley. (Reminder his first game ever) he did very well to pick up after a quick training session with Assistant coach Mel, one of the toughest positions on the field.

The boys were challenged at 3/4 time to raise the intensity and up the tackle pressure all over the field. They rose to the challenge! The Gorillas did not know what hit them, and the game was turned on its head. Everyone took the tackle challenge to the next level, one involved 3 players crashing the biggest opposition player into the turf together. Griffin stared in the forward line with 3 goals for the match and it must be said that the third quarter was a sign of things to come. Go Wolves!!

Coaches Eric and Mel.

CANTEEN NEWS

The Canteen had a big weekend opening for all the games from Friday until Sunday night. We couldn't have done this without the help of several volunteer parents & youth players. Thank you to Lucy, Pippa, Vicky, Bill, Tia, Tegan, Deb, Nikki, Shanna, Karen & Leanne. A big thank you to Terese for help with cleaning in preparation. Thank you to the team managers for rostering on the parent helpers during the games.

I ask all managers to continue rostering a parent helper during your home games. Youth players are welcome to help out serving, but not allowed to cook.
