Everton Wolves J AFC Newsletter

## President's message

by Charles Tibbitts

Covid, Covid, Covid! It's not the expected end to the season, but its all about keeping safe and healthy. Covid has been hanging over our heads throughout 2021, so to get all the Juniors through their games was great.

We are hoping to have the last round of Superstars and the Junior carnival days when lockdown ends, but we will confirm that. Our Youth Home & Away season has also been finished due to the lockdown ending on Sunday.

Congratulations to the following teams who made Finals:

**Under 13 Blue** - 2nd in U13 Div2

**Under 13 Gold** - 4th in U13 Div2

**Under 14** - 2nd in U14 Div 4

**Under 15** - Minor Premiers in U15 Div 3 and undefeated in the Home & Away fixtures.

It's great news to have four teams in the finals. Even better is that in the first week of Finals, three of these teams will be playing at Everton, so please come and support them. We need some assistance with finals, so please see on page 2 the schedule and find out how you can help. Everyone keep well and safe. Go WOLVES!

# FINALS AT THE DEN!

***We need your help, so come and be a part of the finals action***

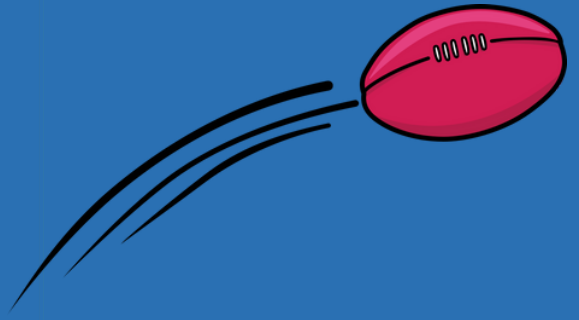

The Club is thrilled to be holding finals as part of the Youth competition this year. It's been many years since finals have been held at Everton. There will be five finals played at Everton on Sunday, August 15. Most exciting is that three Everton Wolves teams will be playing in these games!

To ensure these games can go ahead we need volunteers as Ground Marshalls, Scoreboard attendants and in the Canteen. Please get in contact if you can help, so this is a successful day for everyone involved. Don't forget to come and cheer on our Wolves teams on Sunday August 15, so they can hopefully progress through to the next stage.

**See the schedule below for game times.**

<b>15/08/21</b> <b>(Sun)</b> <i>(Semi Final 1)</i>	08:30	<i>(2021 SEQJ Under 13 Division 2 Brisbane North)</i>	Mayne Tigers	vs	<b>Everton Gold</b>

# MATCH REPORT

**U8.5 Blue versus U8.5 Red**

**Enoggera Memorial Oval, July 31**

Blue skies and sunshine greeted the Wolves Under 8.5 Blue as we entered the main oval for the local “W” clash against Wolves Red at the Den. The final game of the season saw the team pumped for a great performance and they didn’t disappoint. The team have progressively improved learning new skills and putting them into practice on game day.

We knew we were in for a tough game as all the Wolves teams have been performing well this year. In typical form the team started out of the blocks with Cooper, Boyd and Emerson controlling the middle, pushing the ball to our forwards providing the perfect opportunity for Emma “The boot” to slot a goal through. Emerson was running hard in midfield and taking some great rucks to set the speedsters up to push the ball to the forwards.

Cormac, James and Max were not only solid in defence but took the opportunities in the midfield to string some fantastic handballs as well as a few perfectly executed kicks to team mates. Connor was constantly hunting the ball and his pre game marking practice payed off, solid under the high ball demonstrating some Joe Daniher like safe hands. Wolves Red were showing some speed across the ground and were positioning themselves well for the contested marks, the team knew that they had to step it up in the second half.

The team took to the second half and continued to put into practice some of the great ground skills they have been learning. The entire crowd cheered again as Connor took another cracking mark in midfield, eventually pushing the ball toward our keen forwards. Cormac and Emma continued to use good body positioning to win the ball both slotting some great goals.

The teams met in the middle to belt out the Wolves chant at the end of the game. It was a great game with both teams having fun and putting in their best efforts. Go Wolves!
