President's message

by Charles Tibbitts

While you might not have noticed, over the holidays a number of things have happened around the club. You might have seen the new fencing around the main oval and the new goal posts that have been installed today.

One thing you might not have noticed is the new dividing being installed in the change rooms! This will allow us to have four change rooms operating at once. This is great news just in time for the Youth Finals matches that will be played at Everton on Friday 13th and Sunday 15th August. This is the first time in many years that we have hosted finals and a credit to all the hard work that has been done over the years to improve and grow the club.

So with two rounds of Juniors remaining, we are looking forward to the end-of-season festivities - Presentation Day. Please Save the Date for Saturday September 11 for all teams at The Den. Further details to follow, but there will be a range of fun activities including a fundraiser for all teams to participate in.
