## President's message

by Charles Tibbitts

A big THANK YOU to all our Mums for their support for our kids and club and we hope they had a special Mother's Day. The weekend was great with a banner on Friday night and finishing with a Mums area for the U14s game on Sunday. The Mother's Day raffle was a great success and the 3 winners were parents with kids in different ages across the club. I hope they have a great time enjoying their \$50 Everton Plaza voucher. We had other great events with Ryan Harder (U16.5) and Matthew Jennings (U11.5) playing their 100th games. The help of our Volunteers has been invaluable so far this season and the Committee, Managers and Coaches really appreciate it. This weekend we have all our Junior Teams (Under 8.5 - Under 11.5) playing at home. Friday night sees our undefeated U11.5 Girls kicking off the weekend and on Saturday the other 10 Junior teams will be on display for a great morning of footy. On Sunday we have a game each of U12.5 and U13.5 Girls to finish off our home games. On top of that with the help of Brisbane City Council, we have just had a solar system installed and gotten the ovals aerated and fertilised to help keep the ovals growing into the future. Remember that everyone has a part to play in this club whether it be on or off the field, so get in contact to help make the experience for your kids is better. Have a great weekend, see you around The Den and GO WOLVES!

## MATCH REPORT

**U9.5 Blue versus Wilston Grange**  
**Enoggera Memorial Oval, May 8**

The heat was turned on when the U9.5 Blue team took to the field at the Den last Saturday.

In a hard-running game, the team focused in on this week's training, using our accurate kicks to a teammate who has found space to mark.

We had huge kicks from Darby's boot midfield into the safe marking hands of Jerimiah up in front pocket. A few times we had chip kicks from Marcus and Christian up to an overhead mark by Josh L in the forward line, who was then able to convert into a goal quite a few times.

Our newest teammate, Olivia, showed the team her skills finding advantage through field position during the game.

Josh R put in a big effort on the defensive front getting some great last minute spoils.

Finley , Oli and Nick had awesome quarters when they played in the midfield denying The Gorillas charge with some big intercepts and tackles.

The ball was shared around the team nicely, putting "team" first to move the ball up the field. The team walked away from the game proud of their efforts and amount of goals they were able to bag.

Wilston had the upper hand in grounded ball contests in the game , so it has given us a something to train on an improve in our team skill set for the next game.

Go WOLVES!
