President's message

by Charles Tibbitts

I hope that everyone is doing well with the end of season rapidly approaching! With the official end to the Junior season this weekend, our U8 - 10s will be involved in a gala day at The Gap Dragons home ground Hilda Rd State School and Wittonga Park. Our U11s will be playing at home on Saturday and a possible game/gala night for the U11 Girls too.

You might have noticed that we have installed new goal posts on the main oval, which is great as Everton will be hosting a day (5 games) of Youth Finals on Sunday 15th August. We will be calling on volunteers to help with the day in the canteen, the scoreboard and Ground Marshalls. Please get in contact to help out. Speaking of Finals, it is looking like we might get as many as 5 of our 7 Youth teams into the finals!

The website for our big fundraising event the [Wolves Kick-a-thon](#) is now live! Please click the link, join your team and start getting sponsors! It's going to be fun!

This year's Managers have done a sterling job in getting everything organised. Please thank your Manager because without them, the kids would not be out there having a run and kick. Go Wolves!

MATCH REPORT

U9.5 Red versus Mayne

Enoggera Memorial Oval, July 24

Another beautiful Brisbane morning greeted the boys and their families as they arrived at the Den for yet another game against Mayne (how many U9.5 teams do they have??). A couple of stray dogs tearing through the warm threatened to throw the boys off their game but after our captain for the day Ashmead, won the toss and kicked with the wind, the boys switched on.

The team started well with Lachlan L taking a really nice mark in the forward zone and going back and kicking the set shot goal. He followed up a couple of minutes later with a strong roving goal in the goal square. Lachie W, as always, was looking dangerous and played a key role in setting up our goals in the first quarter. Darren was continuing his good form over the past couple of weeks winning the ball in the middle and kicking long into the forward zone. We have been practicing all season handballing to teammates when being tackled and it was great to see this happening in the first quarter with Ruben, Oliver M and Kyah cracking in and working really hard. Its been great to see their improvement throughout the season

With a young Buddy Franklin playing for Mayne they were able to kick a couple of goals against the wind and it was a pretty even game at quarter time. In the second quarter our defence dropped off a little bit and Mayne were able to kick a few goals with the wind. Lachlan R was working really hard, and playing his best game of the season, was able to work with Darcy to get the ball out of our backline and into our forward line against the wind. Oliver C kicked a nice goal against the wind to end the second quarter

Playing one of the best teams we have played, the team worked really hard in the third quarter, lots of running to space which we have been working on all year. Parker was looking dangerous and running straight at the ball and tackling hard, Ethan was winning the ball in the midfield and kicking long with his beautiful left foot kicks. Lewis also playing one of his best games of the season was looking dangerous and it was great to see him getting a few kicks in the forward zone. The elusive Tate was at times threatening to tear the game apart!

The boys were tired coming into the last quarter and did a great job to fight it out against a really good team. All in all another good step forward for the boys and what else would they rather be doing than playing footy with their mates on a beautiful Saturday morning! Go Wolves!
